## 2017 RESERVE CABERNET SAUVIGNON

NAPA VALLEY

### Tasting Notes

An elegant wine produced from vineyards in Rutherford and Pritchard Hill, the 2017 Reserve is beautifully deep purple in color and delivers expressive notes of black fruit, fragrant earth tones and ripe cassis. It is medium to full-bodied with a solid structure and chewy tannins, finishing long. Approachable in its youth, this Cabernet Sauvignon will age gracefully over the next 20 years.

### Varietal Composition

Cabernet Sauvignon & Petit Verdot

### Harvested

Sept 14 & Oct 6, 2017

### Bottled

June 2019

### Barrel Aging

80% new French oak, multiple coopers

### Production

135 cases

### Alcohol by Volume

15.8%

### Release Date

Summer 2022

97  
PTS

*The 2017 Cabernet Sauvignon Reserve (76% Cabernet Sauvignon and 24% Petit Verdot) is a barrel selection that sees a touch more élevage compared to the classic Cabernet Sauvignon release. It's cut from the same cloth yet has more purity and elegance, with stunning notes of cassis, crushed rocks, chocolate, hot gravel, and licorice aromas and flavors. As with the classic Cabernet, it has serious muscle and depth. - Jeb Dunnuck (January, 2020)*
